AT 30

ANNUAL REPORT 2019 - 2020

A HISTORY OF SUCCESS | A FUTURE OF HOPE

FROM THE PRESIDENT

Dear Friends,

We officially “inaugurate” the 30th anniversary of Nativity Prep’s storied mission and work this September as we begin a uniquely difficult school year. Our theme of “Nativity at 30: A History of Success, a Future of Hope” is apt for these circumstances. While these challenges are immense, there is great consolation and encouragement in reflecting on the incredible impact of these last thirty years and the hope that such reflection engenders for our next thirty years.

In 1990, Barry Hynes, Boston Jesuits, and a committed group of supporters had a simple but radical vision - provide a free, rigorous and formative Jesuit educational opportunity to Boston boys from low-income families. Thirty years, two school buildings, dozens of committed faculty & staff, and thousands of supporters from across the country later, that vision has borne great fruit and had tremendous impact - 375 alumni “men for others” pursuing educational opportunity and living out their vocations and 75 current students preparing to follow in their footsteps.

Our work is not done, and the need for this unique education, community, and support is still great. Local public schools continue to feature significant achievement gaps, many Catholic schools have sadly had to close, and private education continues to become more expensive. In many ways, Nativity is needed as a “guiding star” more than ever.

With your incredible support, encouragement, and generosity, we are not resting on the laurels of thirty years of success but instead improving and strengthening our foundational education, expanding our Graduate Support programs and efforts, and stretching into career networking and guidance for alumni. Together, we are building a future of hope through a transformative education, a lifetime commitment of support, and a “community for others”.

Thank you for being a part of the Nativity family and for your continued support of our mission.

Gratefully,

Brian P. Maher
President

NATIVITY^{AT}30

NATIVITY'S PAST

When Nativity was founded, it was a “shoestring” operation attempting to address the serious, complex issue of educational equity and access through a new model - a tuition-free, Jesuit middle school.

NATIVITY'S PRESENT

Thirty years later, NP Boston is the oldest of over 50 Nativity-model schools and has provided a transformative education to 450 students & alumni.

- Located at Roxbury Crossing, old cement after-school center
- All-volunteer faculty & staff
- 6th - 8th grade tuition-free education

- After-school extracurriculars/athletics
- Evening Study dinner & tutoring
- High-school placement

- Located at Jackson Square, refurbished three-floor school building & gym
- Professional faculty & staff, prized Teaching Fellows program
- 4th-8th grade tuition-free education

A HISTORY OF SUCCESS

A FUTURE OF HOPE

NATIVITY'S FUTURE

Built on an innovative model, Nativity Boston continues to improve its core 4th-8th education and provide even more extensive Graduate Support "from classroom to career".

- Academics, three meals, extracurriculars, athletics, and Evening Study provided from 7:30am-7:30pm
- Student Counseling & Academic Support team
- Two full-time graduate support professionals empowering alumni in high school, college

- Serving low-income Boston families wherever they live and whatever their educational needs & hopes
- Providing young men of color the rigorous, innovative, high-quality education they deserve

- Holistically supporting and empowering students "from classroom to career"
- Partnering with our "alumni men for others" to better support future Nativity generations in business, technology, medicine, education, government, the arts, and more

2019-2020 SCHOOL HIGHLIGHTS

HARVARD MEDSCIENCE

8th graders visited Harvard Medical School and were able to engage in clinical work on a simulated (robot) patient.

PUBLIC SPEAKING PROGRAM

4th & 5th graders performed original speeches about an influential figure of their choosing.

SCHOOL VISITORS

We had many inspiring visitors throughout the year, including Phil Burton (VP, Ron Burton Training Village), Senator Nika Elugardo (Massachusetts State Representative), Wanny Muñoz (Founder & Director, UWander), and Tony Seaforth (Founder & Director, Seaforth Movement).

FARM SCHOOL

5th & 6th graders made their annual visit to Farm School this fall, where they learned to milk cows, harvest vegetables, and care for the animals.

EVENING STUDY

Among many delicious meals served to Nativity students, the Alumni council came together to serve dinner during Evening Study.

IGNATIAN HERITAGE DAY

Nativity Boston and Nativity Worcester came together this spring at the College of the Holy Cross to celebrate our shared Ignatian heritage.

TIE CEREMONY

Nativity's annual tradition continued with the 8th grade class presenting the 6th grade students with their official Nativity tie.

GRADUATION

Graduation looked a bit different this year, but the class of Castiglione still celebrated in social-distance style, surrounded by family, faculty, and staff.

NATIVITY'S LEADERS OF TOMORROW

From academics to extracurriculars to athletics, our students demonstrate excellence and a desire to grow in many ways. A Nativity education forms Jesuit-educated "Grads at Grad" who are: Open to Growth, Intellectually Competent, Religious, Loving, and Committed to Doing Justice.

PETER JACQUES

RISING 6TH GRADER – NATIVITY ('23)

Peter is a sixth grader at Nativity Prep. His favorite class is Reading & Language Arts, and his favorite extracurricular is violin. Peter even performed with the Boston Youth Symphony Orchestra this past year!

“What’s different about Nativity to me is that there’s brotherhood. It feels like I have a family here away from home. And I feel like I can feel open about things.”

KEVIN ALMANZAR

GRADUATING 8TH GRADER – NATIVITY ('19), BC HIGH ('23)

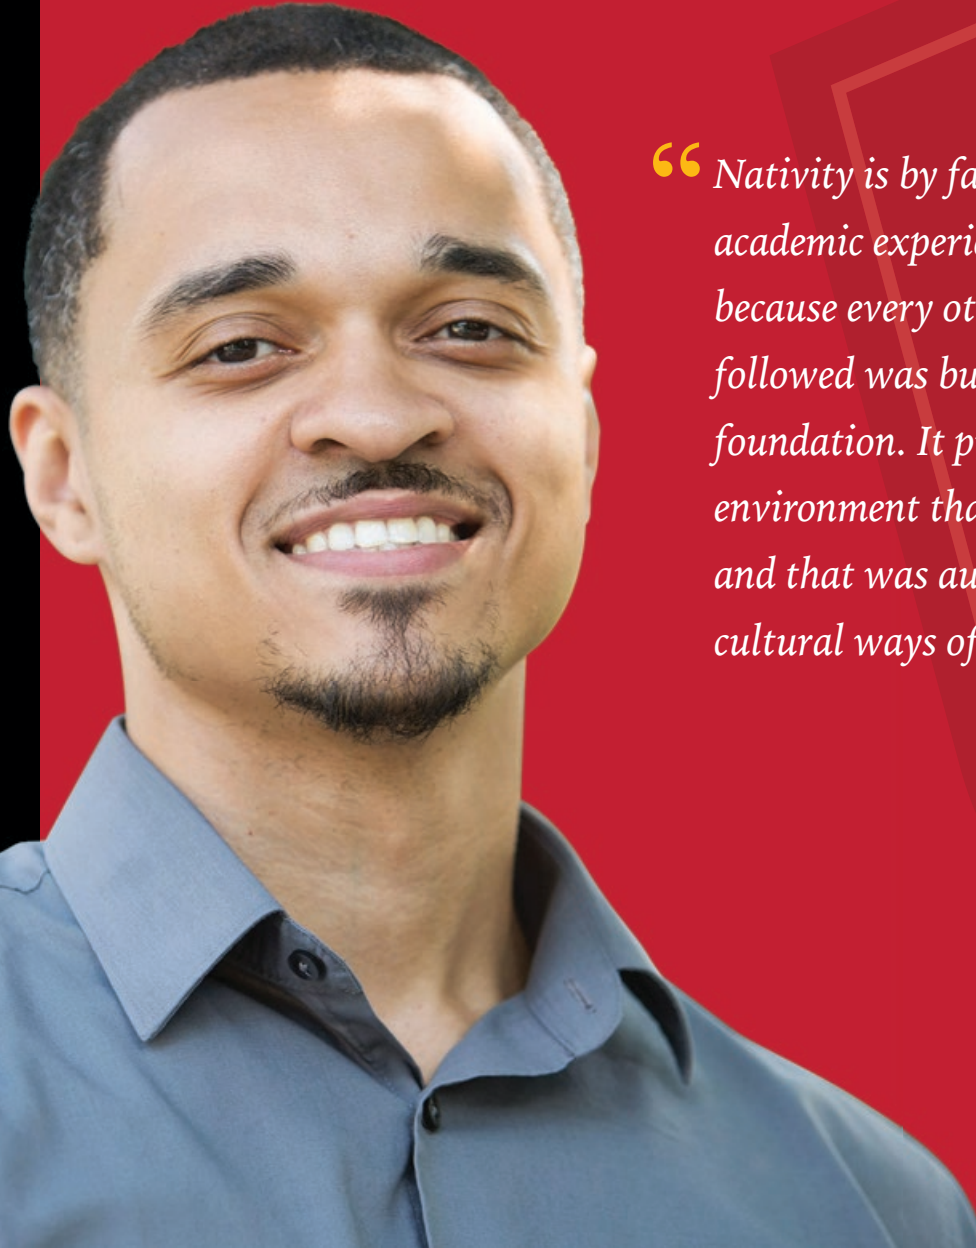

Kevin recently graduated Nativity as a member of the class of Castiglione, and began his freshman year at BC High in September, where he is a Donahue Scholar.

“ I think Nativity has teachers that are really dedicated to their jobs. Not all schools are like that, so we’re lucky to have a school that really helps their students challenge themselves. I’m thankful for Nativity because they’ve helped me to learn and grow in so many ways. ”

ALUMNI MEN FOR OTHERS

With their Nativity education as a formative, preparatory foundation, alumni go on to the area's top high schools and colleges, and enter a wide range of fields. Our Catholic, Jesuit education forms compassionate, committed "men for others" who go on to lead and serve in their communities, businesses, and society.

AMARILDO "LILU" BARBOSA

NATIVITY ('99), MILTON ACADEMY ('03), UNIVERSITY OF VERMONT ('06)

Chief Diversity, Inclusion & Belonging Officer at Harvard's T.H. Chan School of Public Health

“Nativity is by far the most influential academic experience of my life - especially because every other experience that followed was built on my Nativity foundation. It provided a learning environment that allowed me to flourish and that was authentic to me and my cultural ways of being and knowing.”

B O

GADDI FILS-AIME

NATIVITY ('12), BC HIGH ('16), UNH ('20)

System Validation, Testing and Analysis Engineer at Raytheon

“What an amazing middle school, you are so lucky,” is a common response when I describe Nativity. From teaching me how to wear a tie, to showing me how to be a man for others, to helping place me into one of the top high schools, to supporting me in college with financial support, Nativity has supported me in so many ways. ”

CURTIS KITCHEN RENOVATION

In September 2018, Nativity Prep inaugurated its new “Curtis Family Kitchen”, established in honor of Maria Curtis through the generosity of the Curtis Family and friends. The Curtis Kitchen is the culmination of a major renovation to Nativity’s main dining and food preparation area, which enables Nativity to provide three full meals to students each day in a welcoming, healthy, and safe environment. The Curtis Kitchen is of particular value to Nativity’s many generous volunteer Evening Study Dinner Cooks, including

Maria herself, who provide and serve dinner to students Monday-Wednesday evenings following their afternoon athletics & extracurriculars and before their Evening Study tutoring.

OUR VISION

When Nativity was founded, it was a “shoestring” operation attempting to address the serious, complex issue of educational equity and access through a new model - a tuition-free, Jesuit middle school. Thirty years later, Nativity Boston is the oldest of over 50 Nativity-model schools and has provided a transformative education to over 450 students & alumni. Built on a unique model, Nativity Boston continues to innovate to improve its core 4th-8th education and provide even more extensive Graduate Support “from classroom to career”.

YOUR DEDICATION, GENEROSITY, AND HOPE

That is what makes a Nativity Prep education a reality for boys from low-income families in Boston. The only tuition-free private school for boys in Boston, Nativity Prep provides a rigorous 4th-8th grade Jesuit education and life-long graduate support to our alumni in high school, college, and career.
